30th October, 1929.

Dear Sirs,

S. With reference to Mr. Gordon Minchin's report No. 19106 on the machinery of the steamer "BARRWHIN" I have to point out that the N.M.P. of the engines is 473 and the special survey fee should therefore be £95.19.0 in addition to the first entry fee of £5, and in the circumstances you should issue an additional account to the engine makers for the balance, namely, £7.19.0.

I am, Dear Sirs,

Yours faithfully,

copy to Glasgow
Clerk to the
Classification Committee.

The Surveyors,
GREENOCK.
