Sir, -

With reference to your letter of the 30th ult., regarding the completion of the survey on the s.s. " JUNO " , we beg leave to inform you that we have interviewed the owners' superintendent on this subject this day. - He informs us that the vessel is due at Terre Annunziata in 8 days, but he is not quite sure if the Boiler survey will be completed there or not, stating that his principal Capt Menada , is in controversy with the surveyor there regarding the fee charged lately for the boiler survey held on the s.s. " DORIS " . - If however the survey is not completed there , at the end of the month she goes to Rotterdam to have new main boilers, when all overdue surveys will be completed . -
