New York City.

TO: Lloyd's Register of Shipping
17 Battery Place,
New York City.

SUBJECT: Classification Certificates.

1. We are in receipt of your letter of September 18th advising that the survey of the water tube boilers of our S. S. "LAFCOMO" is due and that permanent repairs require to be effected to the damaged plating on each side of the stem and that the high pressure turbine casing requires to be renewed.

2. We appreciate your calling these matters to our attention, but we desire to have you withdraw from your Register the classification of this vessel.
