Sir,

Referring to my letter of the 28th June concerning Nan-
-tes-Report N° 1218, upon the Engines and Boilers of the "CAPITAINE
ILLIAQUER", I beg to state that at the present moment the only items
remaining to be done are the direct donkey suction and the official
trial.

I shall therefore be glad to receive the certificates
at your earliest convenience for handing over whenever, these are
complete and I shall have received your permission by telegram to
do so.

The safety valves easing gear is fitted. The travelling
expenses charged have been 70 francs and the account was rendered
upon the 1st of July.

I am, Sir ,

Your obedient servant,
