

**COPY.** of a letter dated 5th June  
received 19th June from Messrs Wilson Sons & Co. of Pernambuco.

Dear Sir,

We are to-day in receipt of your favour of the 18th  
ultimo.

The "Linares" and "Lindores" are managed by the Companhia  
de Cabotagem de Pernambuco, and its manager informs us that he  
communicated with you on the 22nd May. We understand from  
him that as the regulations of the Brazilian Government have  
to be complied with, it is not the Company's intention to have  
further surveys carried out.

Yours faithfully,

For Wilson Sons & Co Ltd.

(Signed)

Manager.
