Enclosure

Dear Sir,

Steamer "MAXTON"

In reply to the enquiry contained in the classing letter of the 31st ultimo, I beg to state that I adjusted the safety valves of this vessel on the 22nd July last, but understood that this was to be included in the report being forwarded by the Society's Surveyors at Hull. In the circumstances, however, I have prepared a report on the case, and beg to forward same herewith.

I am, Dear Sir,

Yours faithfully,

W. L. Hall.

The Secretary,
London.
