No. 10559.

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey

It should be pointed out to the Surveyors that this vessel, which was built and has been altered under special survey, is entitled to the Special Survey mark, as indicated on the certificate of class recently forwarded to them, and as recommended in their report No 10559.
