ENCL.

22th December, 1910.

Sir,

M.

With reference to my letter of the 23rd instant respecting the steamers "NO.11", "NO.12" and "NO.13" built by Messrs. Caesar Wollheim, of Breslau, and now shipped to your port where they are to be refitted and completed I now send herewith, as promised, a copy of the First Entry Report on the hull of "NO.11" for your reference in dealing with the case of these vessels.

I may add that complete first entry reports on the machinery of these vessels have been received from the Society's Engineer Surveyor at Hamburg. A report on Form 9 should, however, in each case be forwarded by you in due course.

I am, Sir,

Your obedient servant,

Newman Mumford, Esq.,
