10th January, 1911.

Dear Sirs,

I beg to acknowledge the receipt of your letter of the 5th instant relative to the three ferry boats Nos. 11, 12 and 13 recently constructed by your good selves for Messrs. La Societe de Navigation a Vapeurs, and with a view to meeting your wishes in the matter of the classification of these steamers as far as practicable I had the pleasure yesterday of forwarding to the Society's Surveyors at Hamburg certificates for the hulls and machinery of the steamers in question for the class A- "For service on the Golden Horn", and I have to add that <sup>when</sup> the equipment of the steamers has been found to be in order, and the vessels have been reported upon by the Society's Surveyor at Constantinople on their completion at that port, the Committee will be pleased to give their further consideration to the cases with a view to the full certificates of classification being issued thereafter.

I am, Dear Sirs,  
Yours faithfully,

Messrs. Caesar Wollheim & Co.,
