("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/02.)

Survey

1st Entry

It is submitted that before this case receives the consideration of the Committee, the Constantinople Surveyor should be informed that this vessel has been partly dismantled and shipped on board a steamer for Haidar Pasha, where it is intended she will be refitted for service, and afterwards proceed to Constantinople.

The Surveyor should be requested to give the case the necessary attention, and on completion to forward a report on Form 8 for the information of the Committee.

It is further submitted the Superintendent of the Proving House at Gradley Heath be requested to forward particulars of test of the short link chain cable tested by him, the number of Test Certificates being *5371 + 5372*.

The Hamburg Surveyors should be advised.
