4th June, 1913.

Dear Sirs,

Reverting to the correspondence which passed between us in April last relative to the Special Survey No.3 of the steamer "ONDO", I shall be obliged if you will kindly let me know whether you are yet in a position to say at what port this vessel will be submitted to the inspection of the Society's Surveyors for the survey in question.

At the same time I think it well to point out that the vessel's boilers became due for Special Annual Survey at the end of last month.

I am, Dear Sirs,

Yours faithfully,

Secretary.

Afrika Haus,
