11th July, 1924.

Dear Sir,

With reference to your letter of the 19th May and to previous correspondence regarding the cases of the steamers "ASTER", "GIGLIO" and "PRIMULA", I am now in receipt of a letter from the Society's Principal Surveyor for Holland, stating that upon the surveyors attending on board the steamer "GIGLIO" with a view to surveying her whilst placed in dry dock, they were informed by the Master that their services were not required and that he had instructions from his Owners to call in the Surveyors to the R.I. only.

I shall be glad to know whether Mr. Mazza has yet returned to Genoa from Rome, and if so whether he has been further interviewed in the matter and with what result.

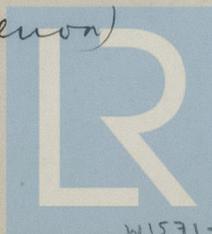

I am, Dear Sir,

Yours faithfully,

Assistant to the Secretary.

N.G. Turnbull, Esq.,

TRIESTE. *(Duplicate to Genoa)*
