# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

23rd March, 1922.

Dear Sirs,

Reverting to Mr. Brown's letter of the 27th ultimo and my reply of the 6th instant regarding certain steamers owned by Mr. Edward Mazza, I have to acquaint you that we have had the pleasure of a visit from Mr. Rippon, and it was pointed out to him that the Society has now made arrangements with the Registro Italiano under which it is open to Italian steamers to obtain the dual classification of Lloyd's Register and the Registro Italiano upon terms especially favourable to those Owners who desire to take advantage of the arrangement.

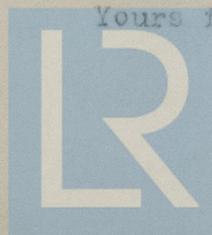

In the circumstances, Mr. Rippon cancelled his letter of the 17th February stating that Mr. Mazza has decided to allow the classification of the "ASTER", PRIMULA" and "GIGLIO" to expire, and he proposes to take the matter up with Mr. Mazza on his return to Italy.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

GENOA.
