Messrs Lloyd's Register of Shipping,  
71 Fenchurch Street  
LONDON. E.C.

Dear Sirs,

*W. E. Rippon  
4.22*

For account of Mr. Edward Mazza of Savona, I beg to inform you that he has decided to allow the classification of his ships the "ASTER", "PRIMULA" and "GIGLIO" to expire, and he has taken Classification instead with the British Corporation.

This personally I am sorry for, but it has been done as a matter of economy. We are compelled by the Italian Law to maintain the Italian National Registry, and the British Corporation is represented by the Italian National Registry, therefore one set of surveys completes both classifications, which is a decided economy.

Yours faithfully,

*W. E. Rippon*
