Dear Sir,

Replying to your letter of the 17th inst-
concerning the spare propeller and the machinery of the steamer
"War Succour."

I have to inform you that the spare propeller is not on board
the vessel yet, nor can any definite day of delivery be given.
The double reduction gear wheels and rotor shafts have been
examined and found to be satisfactory.

I am Dear Sir,

The Surveyors
Middlesbrough.Yours Faithfully
W. Laidale.
