

for Malt.

of Cardiff.

11th April 1919.

J. G. Hunter,

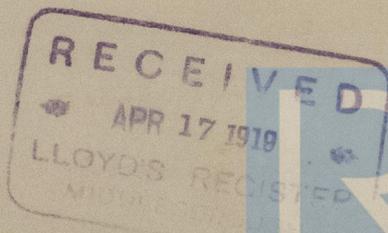

request The Tyneside Engine Co., Ltd., of Cardiff, examine a main  
funnel, built to the order of Mr. H. ~~W.~~<sup>Cock</sup>, Cardiff, for one of the  
No. 1. class of vessels.

The funnel is 35' 10" in length, and 7' 3" inside diameter,  
and fitted with Caps, Ladder, Whistle Brackets, and Air Casing.

The dimensions were compared with plan and found to be in order  
and workmanship good.

This funnel has been forwarded to Port Clarence for vessel  
No. 1.
