For the CHIEF SHIP SURVEYOR and CHIEF ENGINEER SURVEYOR.

(In cases which have to be submitted to the Classing Committee "the endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

of Survey Boiler Survey When due 7-17. part held 6-18.

The annual boiler survey of this vessel became due in July 1917, and was partly held in Genoa in June 1918, to complete which all safety valves require to be adjusted under steam.

The Genoa Surveyors now enclose a letter dated 30th July 1918 received from the Owners in which they state, that they have resolved to cancel the classification of this vessel.

It is submitted that the class of this vessel be withdrawn, and three dots inserted in the Register Book
