21st November, 1939.

Dear Sir,

E.

Messrs. Wm. Denny & Bros' Yard No.1347.
Messrs. Barclay, Curle & Co's Engine No. 127.

I am in receipt of your letter of the 18th instant, enclosing one from Mr. Brown, regarding the arrangements which have been made by the Shipbuilders to fit bilge suction for draining the flat situated above the deep tank for the above Contract, the contents of which are noted and are in order.

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,
GLASGOW.
