Your Ref: M.

The Secretary,
Lloyd's Register of Shipping,
71, Fenchurch Street,
E.C.3.

Dear Sir,

Denny 1247

We thank you for your letter of the 17th January regarding reduction in length of chain cable for our new vessel building at Dumbarton.

We will make a note that the length of the cable should be increased to 270 fathoms when Government regulations and other considerations permit, which we take it will not be until after the end of the War.

Yours faithfully,

FOR THE AUSTRALIND STEAM SHIPPING CO. LD
