Enclosure

16th August, 1939.

Dear Sir,

I have to acknowledge the receipt of your letter of the 14th instant enclosing a copy of one from Messrs. Wm. Denny Bros. Ltd. regarding the centre line bulkhead in the deep tank and tween decks of their Yard No. 1347, and the contents have been noted.

In reply I have to state that no exception will be taken to the proposal to omit the centre line bulkhead in the deep tank and tween decks immediately above, provided the second deck beams be efficiently supported and a quarter girder, 4 feet deep, be fitted port and starboard under the third deck, which arrangement it is understood from a conversation over the telephone with Mr. Dickenson is intended to be adopted by the Builders.

The plan sent for reference is returned herewith.

I am, Dear Sir,

Yours faithfully,

The Secretary,

GLASGOW.
