PORT OF

GLASGOW

LONDON.

10th July, 1939.

Plan enclosed.

Dear Sirs,

Yard No. 1347 - Plan of Double Bottom  
and Engine Bolders.

With reference to your letter of the 6th instant submitting the above plan, I have to inform you that the scantlings and arrangements as shown and amended thereon will be approved, provided they be carried out to the satisfaction of the Society's surveyors.

I have also to inform you that it was noted from Mr. Cotton that the Donkey Boiler in the Machinery Space will be used in port only, and in view of this, the thicknesses in way of the boiler have not been increased in accordance with Section 10, Clause 9 of the Rules.

One copy of the plan is enclosed herewith, and I shall be glad if you will kindly return the same to this Office after noting. The remaining copy has been retained in this Office for record.

I am, Dear Sirs,

Yours faithfully,

Local Secretary.
