Dear Sir,

Messrs. Wm. Denny & Bros' Yard No.1347  
Plans of Midship Section, Profile & Decks.

I have to inform you that the above plans have been dealt with in this Office. Instead of doublings at the corners of the openings in the upper deck plating the Builders propose to arrange long overlaps of the deck plating and I shall be glad if you will let me know whether this proposal can be approved.

A copy of the plan of Profile and Decks is enclosed herewith for reference.

I am, Dear Sir,

Yours faithfully,

*R. Wallace*
