Port of St. John N.B.

29th September 1942.

The Surveyors,
Lloyd's Register of Shipping,
St. John, N. B.

s.s. "DALCROY"

Dear Sirs,

With reference to Damage Survey held on this vessel at
Halifax, I beg to advise you that I have received the following
cable from my Owners -

"As Johnson definitely renews furnaces on return U.K.
please arrange temporary repairs collision damage
yours view all round saving in time obtain Seaworth
Certificate"

Signed Mungo Campbell & Co.

In view of recommendations made for permanent repairs by
Halifax Surveyor, I shall be glad if you will re-examine damage
with a view to temporary repairs being effected.

Yours very truly,

Signed: J. P. Johnson.....

J.P. Johnson, Master.
