Dear Sir,

S.S. "BRITISH LORD"

We are in receipt of your letter of the 10th instant reminding us the Special Survey becomes due at the end of April next and in reply have to advise you this ship will not be in a position to have this Survey dealt with until July next but as she was drydocked at Falmouth in August last we shall be glad if you will take this into consideration and grant the ship an extension of three months.

We may mention that when the vessel went through Special Survey with T.W. Greenwell & Co., Ltd., Sunderland, in April, 1949, £142,000. was spent on the hull and she has traded entirely in black oil since then.

Yours faithfully,

BRITISH TANKER CO. LTD.,
