Dear Sir,

S.S. BRITISH INDUSTRY

We are in receipt of your letter of yesterday's date reminding us the Screw Shaft Survey is now due and in reply have to advise you this ship will be drydocking in this country in the first week in July and this Survey will then be attended to. The Boiler Survey will receive attention at the same time but we are not at the moment able to indicate at which port this will be done.

Yours faithfully,

BRITISH TANKER CO. LTD.,

F. Downie

Engineer Superintendent.
