Collingwood Buildings, Newcastle-on-Tyne.

28th May 1927

The Secretary,
Sir,

The SS. "British Industry"
Messrs Palmers 963 for British Tanker Co is
completed. The Report is in the Builders hands for
checking and signature and will be forwarded at
the beginning of the week.
As the owners invariably desire to have the certificates
in duplicate at the earliest possible time I herewith
forward a plan of the sections of the vessel as
built so that preparation of the certificates may
be put in hand.

I am, Sir,

Your obedient servant,
G. Brown
