No. *102901*

of AMSTERDAM.

10th June 1953

repairs to Starboard & Centre boilers of the
XXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXX s.s. "WASA"
4951 tons gross, port of Registry Helsingfors, whilst
lying afloat at this port on the 26th May 1953 and subsequent
dates

*+ 10001
reduced
25 May*

XXXXXXXXXX vessels machinery be continued
as classed without fresh record of BS, subject to ship side end
of Starboard ash-shoot being renewed before the end of May 1954,
and all items as given in S.R.list being dealt with as previously
XX recommended.

Opelku

General Observations and Recommendations:

The machinery being in a good condition, in my opinion that same is classed without fresh record of BS, subject to the end of Starboard ash-shoot being renewed before the end of May 1954, and all items as given in S.R. list being dealt with as previously recommended.
