Sir,

With reference to your letter of the 21<sup>st</sup> Inst. regarding the tonnage of the above-named vessel I have much pleasure in enclosing the particulars as tentatively approved by this Dept.

As, however, the vessel is proceeding to Glasgow for the purpose of having her machinery fitted it is possible that some slight modifications of this tonnage may be made before registration is completed.

In the event of any alteration being made I will advise you of the change.

I am, Sir,

Yours obediently,
