Re L.S. Wheatlands

Dear Mr W. Williams

I find that I have made a mistake re Tonnage  
of this vessel. The allowance for propelling power  
is only 232.64 Tons - so net Tonnage is 190.35 Tons  
in place of 424.75 as I stated

Please correct my former note accordingly &

Believe Yours Faithfully

Allow <sup>ance</sup> for P.P.	232.64

I shall be obliged if you will be good enough to advise me  
whether they are in order.
