BOARD OF TRADE, SURVEYORS' OFFICE,

Dublin, August 13th 1902

Dear Mr McWilliams

I am sorry you have had
 to wait so long for tonnage
 particulars you asked Mr Laylor
 for on 10th inst. The facts are
 that Mr Laylor has been on
 leave since 2nd inst - and
 I have been away in Cork
 on duty there - so have only
 just received your letter
 through Mr Laylor who is
 in Isle of Man -

The following are particulars
 of tonnage for St. Wheatlands
 but it has not been approved
 finally - altho you can take
 it as correct -

Lloyd's Register
 Foundation
