21st August, 1912.

Sir,

The Glasgow Surveyors
I have to inform you that the Steel Screw Steamer
"WHEATLANDS", Messrs. The Dublin Dockyard Co's No. 77, has
proceeded to your port where her machinery is to be fitted
on board, and that to complete the survey on the hull the
engine and boiler casings require to be riveted up.

I shall therefore be glad if you will be good
enough to arrange for the case to receive the necessary
attention, and on the completion of the work forward a
report on form No. 8 with a view to the classification of
the vessel.

I am, Sir,

Your obedient Servant,

The Secretary,

GLASGOW.

Assistant to the Secretary.
