The Secretary,
LONDON.

Dear Sir,

We are in receipt of your letter of the 24th instant respecting our Rtn. 5b for the week ended the 29th August last and in reply beg to acquaint you that our report on the s.s. "WANDIA", No. 8771, was forwarded on the 21st August.

Due to a regrettable oversight, however, the name of the vessel was not entered in our Rtn. 5b until the week after the report had been received from Mr. Wikland.

Yours faithfully,

THE SURVEYORS,

per:-

Donkey boiler not to be used.

A handwritten signature in dark ink on aged, slightly textured paper. The signature consists of the letters 'H', 'R', and 'D' in a cursive style. The 'H' is on the left, followed by the 'R', and then the 'D' which has a large loop. There are some small dots and marks around the signature, possibly from the ink or the paper.
