Dear Sirs,

T.S.S. "EMPRESS OF CANADA".  
-----

E.

I duly received your letter of the 6th instant, with enclosures, respecting the replace superheater elements intended for the above vessel, and with regard thereto, have to acquaint you that the plans Nos.M.B.11600 and 11610 of these elements will be approved for a working pressure of 210 lb. per sq. inch, provided the elements be made under the usual conditions of survey and testing.

The plan No.M.N.11570, showing arrangement of superheater, will also be approved.

One set of the plans is returned herewith, and the Society's Surveyors concerned have been advised and requested to give this matter the necessary attention.

I am, Dear Sirs,

. Yours faithfully,

The Superheater Company Ltd.,  
Bush House,  
Aldwych,  
W. C. 2.

Secretary.
