Dear Sirs,

E.

I duly received your letter of the 26th ultimo, forwarding one from Messrs. Burmeister & Wain, together with a plan, in triplicate, of crank shaft proposed for a Duplex Piston Blower intended for the Diesel Engines being made by them for Messrs. Aalborg Vaerft's Yard No.64.

In order that this plan may receive consideration, however, I shall be glad if you will furnish me with plans showing the general arrangement of the Duplex Piston Blower, together with descriptive details.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,
COPENHAGEN.
