Your Ref: HA/HF.

22nd February, 1939.

Dear Sirs,

E. With reference to your letter of the 8th and my reply of the 14th instant relating to one of the engines, in which some girders made of Bessemer steel have been included in the welded bedplate and crankcase, intended for installation in the vessel building by Messrs. Aalborg Vaerft A/S. to the order of Mr. J. Lauritzen, I have to acquaint you I have now received an acknowledgment of my communication from the Owner.

No intimation is made therein, however, that the Owner is willing to consent to the use of the girders in question made of Bessemer steel, and in the circumstances the Committee regret that they cannot accept the engine for installation in the above vessel, which is intended for classification with this Society.

I am, Dear Sirs,

Yours faithfully,

Messrs. Burmeister & Wain's  
Maskin-og Skibsbyggeri,  
COPENHAGEN, K.,  
Denmark.
