# Lloyd's Register of Shipping.

71, Fenchurch Street, E.C. 3.

17th May, 1921.

Dear Sirs,

I have to acquaint you that the Ministry of Shipping state that the following ex-German Steamers have been purchased by Messrs. The Federal Steam Navigation Co. Ltd., viz:-

"SAUERLAND"  
"FRIESLAND"  
"MUNSTERLAND"  
"WENDLAND"  
"VOGTLAND"

In reply to enquiry, the new Owners state that the vessels will in turn proceed to your port to be laid up, and that they will be submitted for classification with this Society before being put into commission.

In the circumstances, I have to request that you will keep the cases in view and advise this Office immediately any work is commenced upon them so that instructions can be sent you for your guidance in dealing with the steamers for classification.

I should add that particulars of their scantlings were obtained by the Society's Surveyors during their visit.
