13th June, 1922.

Dear Sirs,

With reference to your letter of the 8th ultimo relative to the steamer "MIRLO", I have to acquaint you that in reply to an enquiry I am now informed by the Society's Surveyor at Galveston that he has no record of this vessel having been at Beaumont or of anything having been done in regard to the riveting up of the bolted doors in the after cofferdam bulkhead. In the circumstances I shall be glad if you will inform the Owners accordingly and endeavour to arrange with them for definite steps to be taken for the necessary work to be carried out. You will be so good as to let me know in due course the result of your enquiries.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

CHRISTIANIA.

Secretary.
