Dear Sirs,

I duly received your letter of the 1st instant in reference to the deep tank proposed to be fitted to the S.S. "THO E FAGELUND", and the contents have been noted.

In reply to your enquiry regarding the centre line bulkhead, it is observed that it may be more convenient for this bulkhead to be divided, as in the case of the S.S. "CUBANO", and I have pleasure in stating that this arrangement will be approved, if desired.

I am, Dear Sirs,

Yours faithfully,

Secretary.
