High Close,

Wokingham, Berks.

30th October, 1942.

Dear Sir(s),

"ANTIGONE".

I am directed to acquaint you that in accordance with the arrangements at present in force for the substitution of Special Periodical Surveys by successive General Examinations at twelve-monthly intervals, a General Examination for maintenance of class of the above-named vessel will require to be held before the end of January next and I shall be glad to learn, for the information of the Committee, when and at what port it is proposed to submit her for the requisite inspection.

At the same time I think it well to remind you that the vessel's Freeboard Certificate will expire on the 31st January 1943 and you will doubtless wish to arrange for the necessary Freeboard Survey to be held in conjunction with the above General Examination, with a view to the renewal of this certificate.

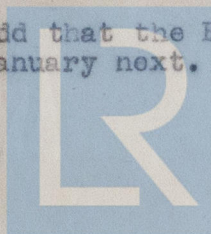

I am, Dear Sir(s),

Yours faithfully,

Messrs. J. Langdon Rees Ltd.,
18-20, Creechurch Lane,
LONDON, E.C.3.

Malcolm K Scott
Secretary.

P.S. I think it well to add that the Boiler Survey will also become due at the end of January next.
