Dear Sirs,

I have to inform you that a new 10 K.W. Generator and Switchboard for D.G. has been placed on board the steamer "AGHIOS SPYRIDON" at Tilbury but not connected up.

It is understood that this work will be carried out on the vessel's arrival in the River Tyne and I shall therefore be glad if you will kindly give the matter the necessary attention.

Yours faithfully,

The Surveyors,
NEWCASTLE/TYNE.
