Plan of Shaft Brackets

Dear Sirs,

I duly received Mr. Morrison's letter of the 15th instant with which he submitted for approval quadruplicate prints of the above plan, and with regard thereto I have to inform you that provided the scantlings and arrangements are carried out as shewn thereon, and the castings be made at Works approved by the Society and be tested by the Society's Surveyors, they will be approved.

Two copies of the approved plan are being returned to you herewith.

I am, Dear Sirs,

Yours faithfully,

Principal Surveyor
