Dear Sir,

With reference to the record of the s.s. "WAR OSTRICH" No 538 in the Register Book, I beg to enclose a letter received from Messrs Blair & Co. Ltd. pointing out that the machinery was built and installed by them and not Messrs D. Rowan & Co. as posted.

They also point out that the particulars of Grate surface should be recorded as 190 square feet and desire that the records should be amended accordingly.

I am, Dear Sir,

Yours faithfully,

Wm L. Gilman

The Secretary,

London.
