Dear Sirs,

M.

With reference to Mr. Powell's First Entry Report (Aberdeen Report No. 12967) on the Steel S.S. "DRACO", I have to request that you will inform me whether a semi-box beam is fitted on the collision bulkhead, as approved, and whether the number of webs to No. 2 hatchway of this vessel is as reported or as shown on the approved plan of hatchways.

This information is required before the case can receive further consideration.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

ABERDEEN.
