It is submitted that Messrs Kellock & Co should be advised in reply to their letter of the 31st ult. that in addition to the items mentioned therein, some odd shell rivets on the Portside require to be cut out & reamed & the transverse framing in way of the damaged plating as referred to in their letter requires to be dealt with as found necessary before the vessel again loads a cargo. The remaining damages to be dealt with at first convenient opportunity. WLB 6/8/25.
