LLOYDS REGISTER

Dear Sir,

S.S. "WOLVERTON" AT ODESSA

We are in receipt of your letter of the 13th inst.,  
drawing us that you will arrange with Lloyd's agent at Odessa  
to appoint a surveyor to examine this vessel on behalf of your  
society and supervise repairs necessary to render her eligible  
to retain her class in the Register Book and we shall be glad  
if you will cable Lloyd's agent accordingly. We have, meantime,  
cabled the British Consul at Odessa as follows :-

"Replying your telegram eight Lloyd's Register here  
arranging with Lloyd's Agent Odessa appoint Surveyor"

I suggest it would be advisable for you to ask Lloyd's agent  
the Surveyor appointed by him to get this vessel examined by the  
British Consul at Odessa, for as mentioned on the telephone  
yesterday this vessel is required to be examined by the British Consul
