Lloyd's Register of Shipping,

71, Fenchurch Street, E.C.

13th April, 1915.

Dear Sirs,

I beg to acknowledge the receipt of your letter of today's date relative to your steamer "WOLVERTON", now at Odessa after having been damaged by a mine.

As explained to your goodselves on the telephone, the Society has at the present time no Surveyor stationed at Odessa, but the Committee will be prepared to accept the report of survey on the repairs by a competent and independent Surveyor to be appointed by Lloyd's Agent at Odessa.

I shall therefore be glad to arrange with Lloyd's Agent to appoint a Surveyor to examine the vessel on behalf of the Society and to supervise the repairs necessary to render her eligible to retain her class in the Register Book upon hearing from you that you wish this done, and awaiting the favour of your reply,

I am, Dear Sirs,

Yours faithfully,

Secretary.
