Enclosure

Dear Sirs,

I have to acknowledge receipt of your cablegram of the 17th instant regarding the steamers "SUZY" and "ARGO" as follows viz:

"Suzy referring your letter 13th July last vessel arrived this port owners desire effect repairs advise necessary requirements forward midship section stop Tanker Argo ex Solna referring our letter 2 Sept. last Greek authorities now advise desire retain society's class stop Advise survey requirements."

In confirmation of my cabled reply, as per copy herewith, I may say that to entitle the "SUZY" to be reclassified with this Society, it will be necessary for a third Special Survey No.2 to be held and all damage repairs effected to your entire satisfaction. As desired I forward herewith a copy of the plan of Midships Section of this vessel.

As regards the steamer "ARGO", provided a general examination be held and the vessel be satisfactorily reported upon, the class, as now recorded in the Register Book, can be retained.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

PIRAEUS.

pro Secretary.
