XXXX 89 BOULEVARD CARNOT
XXXX ALGIERS

Dear Sir,

I duly received your cablegram of the 9th instant respecting the steamer "SUZY", as per copy attached, and have to confirm my reply today, from which you will observe that in the circumstances described by you no objection will be taken to your issuing an Interim Certificate for the newly proposed voyage, provided you satisfy yourself as to the efficiency of both hull and machinery.

As explained in my letter of the 19th October last this vessel no longer holds the Society's Classification so that any certificate issued by you should be made out on the form specially designed for unclassified vessels, namely Form C and/or Cl.

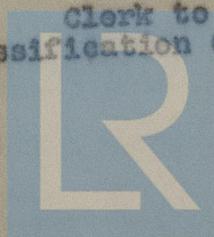

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee.
