Dear Sirs,

I beg to acknowledge the receipt of your letter of the 2nd instant enclosing a copy of the Surveyor's Report on the steamer "SUZY", and to express to you the best thanks of the Committee of this Society for the information which you have so kindly furnished.

In all the circumstances it has been decided to defer further consideration for one month and I shall be much obliged if you will be so good as to let me know at the end of that time whether any repairs have been commenced or any change has taken place regarding the position of this vessel.

I am, Dear Sirs,

Yours faithfully,

In early February we were called upon to assist in the drawing up of a form of tender which local repairers were asked to submit - Owners' apparent intention being to have the vessel repaired in this port. Tenders were submitted on the 15th February pro Secretary, sent at the Agents' office, together with Owners' Representative.
