Dear Sir,

Dear Sir,

With reference to your letter S dated 3rd instant, respecting my first entry report no. 15909 A/B on the Machinery for the new steamer "STAD ALKMAAR", I beg to state that the rivet holes in the longitudinal seams of the boilers are 35 mm.

The thickness of the crankweb parallel to the axis is 240 mm., and I kindly request to have same amended on my report and beg to be excused for this clerical error.

I am, Dear Sir,

Yours faithfully,

The Secretary,

LONDON.
